to meet the \$340,000 earmarked for War Department has approved the get ready for some strange maneusome folks said, with the dignity wayne Lonergan made sourcessful attempts to purchase byfitting their father's position. You can fill out the list — boys who have been in the public eye, buys from your neighborhood, buys who have been called wild and reckless and what not. They're and reckless and what not. They're the boys who are winning the war. ment to wreck enemy communica tions, tie up enemy occupation and reserve forces, blow up supply

fusion in the German rear. The Germans meanwhile are reported working feverishly — impressing French, Dutch, Belgian and other dominated people into service to help them - to strengthen their already powerful "Atlantic made available here from under ground sources are especially detailed in such activities.

These say the Germans already have flooded some of the Dutch coastal lowlands, which the industrious Hollanders spent five centuries draining, and are ready to blow out all the dikes if necessary, They add that the Germans are particularly concerned about Dutch territory because once penetrated it leads quickly into the industrial heart of western Germany. Another Dutch report, credited by the news agency Aneta to an underground newspaper, is that Field Marshal Erwin Rommel, the German commander, has established headquarters at Breda in western Holland and converted the historic town into a fortress. Another underground newspaper says the enemy has invented a type of under which people are routed out in the middle of the night and river, encircling Kamenets-Podolsk and with battling in the streets

the News by

Editorial Comment Moved by Telegraph

By DeWITT MacKENZIE Associated Press War Analyst Herr Hitler will have to be quick his feet to sidestep the fres crises which are rushing at him in the Soviet and Balkan theatres. Erussian Field Marshal Von Mannstein in the southern Ukraine — in Hitself a great and bloody catastroophe — has developed two other the Fuehrer to handle. They are: (I) The route into Rumania has been laid open to the onrushing front for the Hitlerites to defend in the strategic Danubian basin. The Muse of the Balkan power-deg has ear (2) The defense of the Nazi line in southern Poland -one

of the west-bound lanes which lead Hitler's inner fortress and Berhas been rendered all but hopeless. His whole scheme for thelding Poland and the Baltic states is thus in fresh jeopardy. Marshal Konev's Russian army had no sooner slashed through Besarabia to the Prut river, which is Rumania's frontier, than the Red darrage, signalling the intention to an offensive into Rumania proper. The beginning of that push, which is likely to drive another nail into Hitler's coffin, may even be under way as this is written. In this connection the Soviet army newspaper Red Star sang a paean which appears on the face af it to be of such significance that especially call your attention to Said Red Star "For the Red Army there are r

boundaries; her boundaries are victory, Berlin, and a straight-jacket for the mad German valkyrie." Intentionally or otherwise. ecan is an answer to the storyrobably whelped by the fertaile orain of Nazi Propaganda Minister oebbels - that when the Soviet rces have expelled the enemy from Russian territory, Moscow will make peace with Berlin and let e rest of the Allies fight it out with Hitler. That tale has had wide circulation. Only resterday a Briton asked me what I thought of it, | and I replied emphatically that it was absurd - that it didn't make iorse-sense. He agreed wholly. Up on the southern Polish front the Russians have captured the imway junction of Kamenets Podolsk - one of Hitler's

strongholds. A little to the northwest another even more important key junction, Tarnopol, is sur- Joan Scheduled to rounded and fierce fighting is pro-Some time ago this column suggested that readers keep an eye on Tarnopol and the advice still holds good. When Tarnopol falls.

the News by

Editorial Comment Moved by Telegraph

By DeWITT MacKENZIE Associated Press War Analyst Herr Hitler will have to be quick his feet to sidestep the fres crises which are rushing at him in the Soviet and Balkan theatres. Erussian Field Marshal Von Mannstein in the southern Ukraine — in Hitself a great and bloody catastroophe — has developed two other the Fuehrer to handle. They are: (I) The route into Rumania has been laid open to the onrushing front for the Hitlerites to defend in the strategic Danubian basin. The Muse of the Balkan power-deg has ear (2) The defense of the Nazi line in southern Poland -one

of the west-bound lanes which lead Hitler's inner fortress and Berhas been rendered all but hopeless. His whole scheme for thelding Poland and the Baltic states is thus in fresh jeopardy. Marshal Konev's Russian army had no sooner slashed through Besarabia to the Prut river, which is Rumania's frontier, than the Red darrage, signalling the intention to an offensive into Rumania proper. The beginning of that push, which is likely to drive another nail into Hitler's coffin, may even be under way as this is written. In this connection the Soviet army newspaper Red Star sang a paean which appears on the face af it to be of such significance that especially call your attention to Said Red Star "For the Red Army there are r

boundaries; her boundaries are victory, Berlin, and a straight-jacket for the mad German valkyrie." Intentionally or otherwise. ecan is an answer to the storyrobably whelped by the fertaile orain of Nazi Propaganda Minister oebbels - that when the Soviet rces have expelled the enemy from Russian territory, Moscow will make peace with Berlin and let e rest of the Allies fight it out with Hitler. That tale has had wide circulation. Only resterday a Briton asked me what I thought of it, | and I replied emphatically that it was absurd - that it didn't make iorse-sense. He agreed wholly. Up on the southern Polish front the Russians have captured the imway junction of Kamenets Podolsk - one of Hitler's

strongholds. A little to the northwest another even more important key junction, Tarnopol, is sur- Joan Scheduled to rounded and fierce fighting is pro-Some time ago this column suggested that readers keep an eye on Tarnopol and the advice still holds good. When Tarnopol falls.

He the declaration that if the opposition would be reached up with his hand. His forehead was wet. He a squat tree that stood ghostlike looked at his hand. It was darkly smeared—blood.

against the lighter background of the sky, "But," he added, "the road has always been lonely. It would for his car and drive for a doctor, other way. He could find no one. that Clark's election would "end Manpower Troubles ceat, walked over to Goering and be rather fitting if the end should He hurried back to the fence, put He stood trying to collect his fourth term talk." And there were the sole of his boot on the lower thoughts. The message! There had many Republicans who contended Topeka, Kas. —(P)— Each da strand of barbed wire and started been a message. He had been car- that a victory for their party in the Rev. M. Ray McKay places a The conference was not a success.

On several occasions Petain has made speeches which his enemies have pointed to as indicating collaborationist sympathies. Careful laborationist sympathies. Careful Then, as if he were pulling desper- the wire. It snapped up, catching when he fell. He ran to the fence, er, of Ohio, who also is seeking the A young woman stopped hir analysis of these speeches shows, ately on the ends of his own rope, his heel. He sprawled forward on this time holding down the top

analysis of these spectrums showever, that Petain always has insisted that any collaboration which he sponsored with Germany was based on France's military position as a defeated power.

As the German situation grown worse, Petain's friends say the marshal personally has stiffened his stand against collaboration. Unfortunately for France, as his opinions have strengthened, his opinions have strengthened. The stranger reached into his forehead was wet. He looked at his opinions have strengthened. The stranger reached into his forehead was wet. He looked at his opinions have strengthened.

At the Jetain always has in his face, His forehead struck a his face, His forehead struck a his face, His forehead struck a his face. His forehead struck a his face, His forehead struck a his forehead struck a his forehead struck a his tip toes. A barb caught his leg as he swung it over. It cut deeply, but he gave it no thought.

He reached the spot where he believed he had fallen. He dropped to his knees, feeling in the grass with his hands. He crawled about, searching wildy in the dark. Then he stronger as he swung it over. It cut deeply, but he seat in Oklahoma's second considered manner of romoths but had fo his opinions have strengthened, his ability to halt Laval's pro-German policies has decreased.

One of his outstanding victories over the Germans was his saving of General Giraud, now one of the leading Fighting French commanders in North Africa, from having to return to a Nazi war prison camp.

The stranger reached into his coat pockets.

"These envelopes will do," he said, placing one on his knee and beginning to write and, as he proceeded he pronounced, aloud slowly, distinctly each syllable of each word he wrote. In a few minutes he had finished.

The stranger reached into his hand. It was darkly smeared—blood. He wondered where he was, why he was lying there. Then it came to him. It was the stranger. He was on his way for help. The stranger was ill, possibly dying, stranger was ill, possibly dying. The farmer sat up slowly. He tried to stand, but his legs were wobbly clothes contained. "That," he explained as he olded the envelopes together. The stand, but his legs were woodly, and he sat down. Then he tried it is the east came the long wail of a long to stand. nans were so incensed that they "may be the last message I can It took some effort to mobilize train whistle. It seemed to the

ceeded in saving Giraud. Equally significant was Petain's high-ranking French officers shortbefore American troops landed North Africa. The idea was to Fighting French if they could make isn't work much, but—."

eir way out of France as Girand | Both car and tires were saved. already had done.

That time, Petain lost. Laval got wind of the plan and with German support nipped it in the bud.

Nevertheless, many officers who were arrested later escaped from prisoner and reached North Africa. Many Frenchmen give Petain the credit.

These Changing Times

THE MESSAGE CHAPTER II THE stranger seemed to rest for a few moments. Then he looked up from his hands. "Who are

you?" he inquired. "I'm a farmer. I own the land north across the fence. I was looking for some lost calves." "But your speech? You have a foreign accent. "I was born a Czech." "Yes, but I am naturalized. I am an American." "You are from an old race, a new nation," mused the stranger. sobs shook his whole figure. When the tears had passed, he looked up "I have won out over the might have conquered the emperors, th to give to the people that which civilized man must have, tha which is his birthright. But th people are still unaware of the urgency of this great task. They must know. They must understand. They must not be led astray. They must rise up now and demand what must be theirs. But time is running so fast, so fast again:

y Helen Maurine Knapp | battled for a Democratic House | Fort Smith, March 28 — P—The seat in a contest that brought Sen- Arkansas A.A.U. boxing tournaate Majority Leader Barkley of ment finals originally scheduled for when he became conscious again his head was throbbing. Kentucky into the campaign with Saturday night have been moved mentarily on the vague outline of the declaration that if the opposition would be reached up with his hand. His forehead was wet. He the declaration that if the opposition would be reached up with his hand. His forehead was wet. He a squat tree that stood ghostlike looked at his hand. It was darkly smeared—blood.

against the lighter background of the sky, "But," he added, "the road has always been lonely. It would for his car and drive for a doctor, other way. He could find no one. that Clark's election would "end Manpower Troubles ceat, walked over to Goering and be rather fitting if the end should He hurried back to the fence, put He stood trying to collect his fourth term talk." And there were the sole of his boot on the lower thoughts. The message! There had many Republicans who contended Topeka, Kas. —(P)— Each da strand of barbed wire and started been a message. He had been car- that a victory for their party in the Rev. M. Ray McKay places a The conference was not a success.

On several occasions Petain has made speeches which his enemies have pointed to as indicating collaborationist sympathies. Careful laborationist sympathies. Careful Then, as if he were pulling desper- the wire. It snapped up, catching when he fell. He ran to the fence, er, of Ohio, who also is seeking the A young woman stopped hir analysis of these speeches shows, ately on the ends of his own rope, his heel. He sprawled forward on this time holding down the top

analysis of these spectrums showever, that Petain always has insisted that any collaboration which he sponsored with Germany was based on France's military position as a defeated power.

As the German situation grown worse, Petain's friends say the marshal personally has stiffened his stand against collaboration. Unfortunately for France, as his opinions have strengthened, his opinions have strengthened. The stranger reached into his forehead was wet. He looked at his opinions have strengthened. The stranger reached into his forehead was wet. He looked at his opinions have strengthened.

At the Jetain always has in his face, His forehead struck a his face, His forehead struck a his face, His forehead struck a his face. His forehead struck a his face, His forehead struck a his forehead struck a his forehead struck a his tip toes. A barb caught his leg as he swung it over. It cut deeply, but he gave it no thought.

He reached the spot where he believed he had fallen. He dropped to his knees, feeling in the grass with his hands. He crawled about, searching wildy in the dark. Then he stronger as he swung it over. It cut deeply, but he seat in Oklahoma's second considered manner of romoths but had fo his opinions have strengthened, his ability to halt Laval's pro-German policies has decreased.

One of his outstanding victories over the Germans was his saving of General Giraud, now one of the leading Fighting French commanders in North Africa, from having to return to a Nazi war prison camp.

The stranger reached into his coat pockets.

"These envelopes will do," he said, placing one on his knee and beginning to write and, as he proceeded he pronounced, aloud slowly, distinctly each syllable of each word he wrote. In a few minutes he had finished.

The stranger reached into his hand. It was darkly smeared—blood. He wondered where he was, why he was lying there. Then it came to him. It was the stranger. He was on his way for help. The stranger was ill, possibly dying, stranger was ill, possibly dying. The farmer sat up slowly. He tried to stand, but his legs were wobbly clothes contained. "That," he explained as he olded the envelopes together. The stand, but his legs were woodly, and he sat down. Then he tried it is the east came the long wail of a long to stand. nans were so incensed that they "may be the last message I can It took some effort to mobilize train whistle. It seemed to the
